BECOME A LEADER IN YOUR COMMUNITY AND BEYOND!

PARTICIPATE IN THE

B.E.S.T. LEADERSHIP PROGRAM!

The B.E.S.T Leadership Program was created in 2004 as a means to cultivate community and business leaders in Bastrop County. The program identifies and encourages current and potential leaders by acquainting them with local needs and building an understanding of how individual talents can work together to build a more successful community. Participants are given unique insights into city, county and state level organizations which allow them to build a more in-depth perspective of their own community's opportunities and challenges. Participants also receive training in the art of leadership itself, strengthening their ability to make a positive impact at home, work, and in the public forum. Participation is limited, so don't wait.
